To Whom It May Concern:

This letter is to signify that \_\_\_\_\_ is requesting a police check and / or vulnerable sector screening for their work as a volunteer at Galilee Bible Camp. Galilee Bible Camp is a non-profit organisation, and our staff / speakers are all required to obtain both the police check and the vulnerable sector screening (age appropriate) as a part of their application to work at camp with children / youth.

We are requesting the vulnerable sector screening for any application born before January 1, 1986. For any applicant born after that date, we only require a police check / CPIC.

If for some reason, you are not able to provide a police check and / or vulnerable sector screening, can you please initial and provide a reason in the space below?
